RE: Enrolling Individual/Rendering Maryland Medicaid Providers

NOTE: Please ensure that appropriate staff members in your organization are informed of the contents of this transmittal

Effective January 1, 2016, the Fee-for-Service (FFS) Medicaid Program will require the submission of the individual/rendering NPI provider number on all claims. The Department will still require that you submit your group or pay to NPI as well. With this change, it is imperative that each individual/rendering provider within your organization that is not currently enrolled with the FFS Medicaid Program do so no later than November 15, 2015. Failure to enroll as a FFS Medicaid provider will result in claims denials.

To enroll, providers should visit Maryland Medicaid's eMedicaid portal at: <https://encrypt.emdhealthchoice.org/emedicaid/>. Please be certain to complete the Group Information Section or visit the DHMH website at: http://dhmh.maryland.gov/bhd/Documents/Provider_Application.pdf to obtain a Maryland Medicaid Provider Application and http://dhmh.maryland.gov/bhd/Documents/Provider_Agreement.pdf to obtain the Provider Agreement. Please complete and sign the application and agreement and send to the Provider Enrollment address indicated on the application.

If you have any questions, or you would like DHMH to send you a paper application and agreement via email, please do not hesitate to contact Provider Enrollment at 410-767-5340. If you have questions about the changes regarding the requirement to enroll individual/rendering providers, contact Earl Tucker, Supervisor for Dental, Clinics and Laboratory Services. He may be reached at 410-767-4078 or at earl.tucker@maryland.gov.
